UPPERTYPE USER LICENSE AGREEMENT:

IMPORTANT-READ CAREFULLY: This User License Agreement ("ULA") is a legal agreement between you (either an individual or a single entity) and UPPERTYPE for the typeface(s) produced by UPPERTYPE. By installing, copying, or otherwise using this typeface, you agree to be bound by the terms of this ULA. If you do not agree to the terms of this ULA, do not install, copy or otherwise use this typeface.

1. ALLOWED USESYou may use the licensed font(s) to create any kind of

2. USES REQUIRING SEPERATE SPECIAL LICENSE The following uses of the licensed font(s) require the

2a. Hardware and software embedding (see 6. Embedding) 2c. The installation on more then five computers and/or

work.

purchase of an additional special license:

devices at one location (see 4. Number of Users) Please contact UPPERTYPE and request the additional license with brief description of your intended use.

3. FORBIDDEN USESIt is forbidden to produce any material with the licensed font that is racist or criminal in nature and/or illegal by law.

4. NUMBERS OF USERSOnly the licensee is allowed to use the licensed font(s). The licensee may however provide the font(s) to a third party like specified in 5. Third Parties. In case of the licensee being more than one individual, the number of users is not restricted; however all users of the font(s) have to belong to the same registered company or registered association that licensed the font(s) and any material using the font(s) must be of that company or associations behalf. In this case you are allowed to install the font(s) on up to ten computers and/ or devices at one location. If you exceed these numbers, you need to purchase an additional special license. Please contact UPPERTYPE with your intended number of installations and/or locations and request an additional company license.

5. THIRD PARTIESYou may provide the font to a graphic designer, printer or other service bureau that is working on your behalf only if they agree to use the font exclusively for your work, agree to the terms of this license, and retain no copies of the font on completion of the work. You may not provide the font(s) or make it/them accessible to any other third parties, except for embedding described in 6. Embedding.

6. EMBEDDING6a. Electronic Document EmbeddingYou may embed the licensed font(s) into any document you send to third parties. Such documents may be viewed and printed (but not edited) by the recipients.

6b. Web EmbeddingYou may embed the licensed font(s) into a web site only if the licensed font(s) are free font(s) ($0.00 license fee). However you must take care of the highest level of protection of the embedded font(s).

6c. Hardware and Software EmbeddingYou may not under any circumstances embed the licensed font(s) into software or hardware products in which the font(s) will be used by the purchasers of such products. Such use requires a different license. Please contact UPPERTYPE and request the additional license with brief description of your intended use.

7. MODIFICATIONSYou may only modify, adapt, reverse engineer, decompile, disassemble the licensed font(s) or create derivative works based on the licensed font(s) themselves after prior written permis sion from UPPERTYPE.

8. COPYRIGHTThe font(s) and the accompanying materials are copyrighted and contain proprietary information and trade secrets belonging to UPPERTYPE. Unauthorized copying and/or distributing of the product even if modified, merged, or included with other software, or of the written materials, is expressly forbidden. You may be held legally responsible for any infringement of UPPERTYPE's lectual property rights that is caused or encouraged by your failure to abide by the terms of this Agreement.

9. PRODUCT UPGRADESUPPERTYPE may, from time to time, update the product. Product upgrade pricing may but does not need to apply.

10. DISCLAIMERThe entire risk as to the quality and performance of the Product rests upon you. UPPERTYPE do not warrants that the functions contained in the product will meet your requirements or that the operation of the software will be uninterrupted or error free.
